Chaperone Tips:

Questions? Please email sksmith@tvsd.us

- You are welcome to attend all parts of rehearsal. Get to know other parents, they are just as awesome as you are! (Please remember that we are working. soft voices are best.)
- Please be prepared to be outside most of your shift.
- Bring a bag chair, water, snacks, books, earbuds, sunscreen, etc. (Like you're going to the beach....but there's no sand, or water, etc.)
- If you need to bring a younger sibling along, please email Ms. Smith at sksmith@tvsd.us to talk through logistics and expectations.
- We may ask you to help with students who need a short break, etc. There are also occasional blisters and other unexpected minor health concerns.
